Case No. F0435108A

Section No. 12

CLERK  
CIRCUIT & COUNTY COURTS  
MIAMI-DADE COUNTY  
CIRCUIT CLERK

**ORDER PROHIBITING DEFENDANT FROM FILING ANY FURTHER PRO SE MOTIONS  
ATTACKING HIS CONVICTIONS AND/OR SENTENCES**

THIS MATTER having come before this Court as a result of an Order to Show Cause issued on March 13, 2015, against the defendant, BRUCE SMALL, and the defendant failing to respond or show cause why this Court should not enter any such Order, hereby makes the foregoing findings:

THIS CAUSE having come before this Court on the defendant, BRUCE SMALL, Pro Se Motion for Post Conviction Relief and this Court having reviewed the motion, the Court files and records in this case, and being otherwise fully advises in the premises therein, hereby denies the defendant's motion on any and all of the following grounds:

1. The motion is successive. The defendant has filed numerous motions seeking to challenge his habitual offender sentence; each one has been denied.
2. The defendant's motion pursuant to Fla. R. Crim. 3.800, does not state grounds for which this Court can grant relief.
3. Florida Statute 775.084 is constitutional and does not violate the prohibition of ex post facto laws.

Brief procedural history of the instant case and cases related to it:

4. On case F0435108A, the defendant was charged with one count of Possession of Heroin With Intent To Sell.
5. The defendant was sentenced to 30 years in state prison as a Habitual Felony Offender on June 29, 2006.
6. On July 10, 2006 the defendant filed a Motion for Post-Conviction Relief which was supplemented on August 16, 2006, and subsequently denied on October 11, 2006.

7. On July 17, 2006 a Notice of Appeal was entered and DCA#3D06-2023 was assigned on August 18, 2006.
8. The mandate was affirmed on October 3, 2007.
9. On March 8, 2008, the defendant filed another post-conviction relief motion which was subsequently denied on March 25, 2009.
10. On Notice of Appeal was filed on April 14, 2009 and DCA#3D09-1052 which was affirmed on July 8, 2009.
11. The defendant filed another post-conviction relief motion on August 21, 2009 which was subsequently denied on November 17, 2009.
12. Thereafter, the defendant has filed several more post-conviction motions in order to challenge his conviction and sentence. Each one of these motions has been denied and appealed.
13. This court finds the instant claim to not only be time barred, moot, successive, and without merit, but also to be frivolous and an abuse of the legal process.

This court now incorporates the findings made by this court on March 13, 2015, and finds the defendant has not shown good cause, and as such this Court directs the Clerk of the Circuit Court for the Eleventh Judicial Circuit to refuse to accept any such papers relating to the above circuit court case number unless they have been reviewed and signed by an attorney who is a duly licensed member of The Florida Bar in good standing. In addition such further and unauthorized pro se filings by the defendant will subject him to appropriate sanctions. See State v. Spencer, 751 So.2d 47 (Fla. 1999).

This court also finds the allegations brought forth by the defendant's February 2013 post-conviction motion to be successive, without merit and an abuse of the legal process. This court now forwards a copy of this order to the Federal Bureau of Prisons for Disciplinary Procedures.

The Clerk of this Court is hereby ordered to send a copy of this order to the Defendant, Antonio Owens #052207, Wakulla Correctional Institution – Annex, 110 Melaleuca Drive, Crawfordville, FL 32327.

The defendant, Bruce Small DC# 082691, Walton Correctional Institution, 691 Institution Rd., DeFuniak Springs, FL 32433-1850 is hereby notified that he has the right to appeal this order to the District Court of Appeal of Florida, Third District within thirty (30) days of the signing and filing of this order.

In the event that the defendant takes an appeal of this order, the Clerk of this Court is hereby ordered to transport, as part of this order, to the appellate court the following:

1. Defendant's Motion.
2. This order.
3. Copies of ALL of the defendant's previous post-conviction motions and the attachments to each, and the corresponding court orders denying the motions.
4. The court docket pertaining to cases F0435108A.
5. The attached listing of the appellate court docket pertaining to cases F0435108A.

DONE AND ORDERED in open court in Miami-Dade County, Florida, on this the 26<sup>th</sup> day of June, 2015.
